Republican Indian Committee Joins TiE in Hosting Virginia's Governor-Elect Bob McDonnell

The Republican Indian Committee (RIC) has joined with The Indus Entrepreneurs (TiE-DC) to host a luncheon with Virginia's Governor-elect Bob McDonnell. The meeting will take place on January 6, 2010 in Tyson's Corner.

This event will provide RIC and TiE-DC members the opportunity to hear directly from Governor-elect McDonnell about his Administration's priorities after he is inaugurated later this month.

RIC-Virginia Chairman Dr. Kamlesh Dave observed, "I have known Governor-elect McDonnell for many years, and we are pleased that he is taking time out of his busy schedule to meet with RIC members. Education is the utmost priority to the Indian American and entrepreneurial mentality of Indian community, making it the perfect match with the Governor-elect. I also want to thank TiE-DC for its efforts in putting this event together." Dr. Dave is part of Governor-elect McDonnell's Transition Team for Economic Development.

The RIC is a political action committee that was recently formed to coordinate and give voice to Indian-American Republicans across the United States of America. RIC will be announcing the Chairmen of its State Chapters later this month.
