Republican Indian Committee (RIC) Endorses Bob Turner in the Special Election on September 13th for the 9th Congressional District of New York

The Republican Indian Committee (RIC) is proud to endorse Bob Turner for Congress in the 9th Congressional District of New York.

RIC National President, Dilip Paliath said, "Bob Turner shares the Republican Indian Committee's vision of America." Bob Turner, a native of Queens New York and a veteran in the United States Army, has spent two decades in the highly competitive television industry. He has founded and managed companies large and small. He is currently on the Board of Directors of Readspeak Inc. and Liberty Imaging Inc., and serves as a trustee of pro-bono organizations such as the Achilles Track Club and Family Focus Adoption Services.

Bob Turner said, "I am honored to have the endorsement of the Republican Indian Committee. RIC shares my commitment to get America working again." Turner is running for the Congressional seat vacated by Anthony Weiner. RIC is endorsing Turner because his values align with the values of RIC: the primary way out of the economic crisis is a smaller, but effective government that is responsive to the people it serves and not to special interest and machine politicians in Washington.

Turner points out, "small businesses employ more than 50 percent of Americans and create two-thirds of our nation's new jobs." Turner further remarked, "Indian American business owners and entrepreneurs can create more real jobs when government responds to them by lowering taxes, cutting red tape and investing in local infrastructure, education and training." RIC agrees.

Turner has actively furthered business opportunities with his counterparts in New Delhi India. He believes that the growing trade, defense partnership and counter intelligence sharing between the United States and India is a positive trend for America's future and that the United States Congress should review ways to accelerate that relationship.

Bob Turner has the credentials, experience and understanding to lead and represent the interests of his hometown Indian American voters as the next Congressman from the 9th Congressional District and the RIC strongly endorses Mr. Turner.
